

On Smartermail, limits are purposely set

Limits
Disk Space MB (0 = Unlimited) *
25600
Domain Aliases (0 = Unlimited) *
1
Users (0 = Unlimited) *
2
User Aliases (0 = Unlimited) *
2
Max Message Size (KB) *
51200
Max Attached File Size (KB) *
25600
Recipients per Message (0 = Unlimited) *
300

When clicking pause in SolidCP, and clicking the play button again

It changes the Disk Space in Smartermail to 0 (Unlimited)
